Locker Clean Out & Pick Up Information

****Current as of 2:00 pm, March 18, 2020**

Thank you for your patience over these last few days as we have prepared for locker clean out and pick up.

Should students/parents/guardians wish to access a school facility, they must follow these guidelines as set out on alberta.ca on March 17, 2020:

1. Anyone sick with respiratory symptoms (even if symptoms resemble a very mild cold) will not be allowed to enter.
 - a. Staff will be actively asking those who enter if they are having any respiratory symptoms, which would include (but not limited to) fever, cough, sore throat, runny nose etc.
2. Handwashing must take place when entering and exiting the school. This may be done by either using soap and water (for a minimum of 20 seconds) or by using alcohol-based hand sanitizer available at front entry. (Upon entering/exiting Hillside you will be required to wash your hands in the washrooms located by the main office)
3. Less than 50 people will occupy a single space (e.g. classroom, hallway, and gymnasium) at a single time.
4. The principles of social distancing will apply. A minimum distance of two metres must be maintained between all people.

In addition, we will also follow these guidelines:

5. Students/parents need to contact the school to schedule a pick up time in order to limit the number of people in the school at one time.
6. The only door that may be used to access the school are the main front doors.
7. Staff will bring student materials to the front doors for pickup.
8. There will be limited contact with staff.
9. Bring a bag to collect belongings.
10. No loitering or gathering in or outside the school once belongings have been picked up.
11. The opportunity for picking up materials will be in a fairly short time frame - we will no longer allow access after Wednesday, March 25, 2020.
12. There will be no student assignments, learning plans or homework shared until further notice. Further plans and schedules will be posted on our school website at www.hillsidehigh.ca

Items that parents/students may want to collect or have collected from the school

1. Content of student's locker(s)
2. Personal clothing & school supplies (including indoor shoes, gym strip, etc)
3. Class supplies (including binders, notebooks, etc)
4. Student owned devices
5. Specialized supplies (medication, braces)
6. Other support resources (unique to the student)
7. Special projects - IA, CTS Computers

**** Any outstanding library books that are not being used as reading materials can be dropped off at the school.**

**** Individuals who are sick or have been out of the country, please refrain from picking up belongings.**
